

Gysland Brothers Farm

2019 CSA Membership Form

CSA Overview

Community Supported Agriculture, or CSA, is an agreement, between a farm and members of the community to which it belongs, that members will support the farm financially to cover equipment, labor, and other operating costs and the farm will in turn provide a share of its harvest to each member.

Our CSA program provides members a share each week for fifteen weeks from July through mid-October. Quantity and diversity of the contents vary throughout the harvest season, but most shares contain ten to twenty pounds of ten to fifteen kinds of vegetables!

Full Share

A full share consists of roughly 10-15 different varieties of produce per week, for 15 weeks of harvest! It will comfortably feed 4-5 people. This share will also include access to our harvest events which we host throughout the 15 weeks.

Half Share

A half share will consist of roughly half of the full share produce for the same 15 weeks of harvest! It will comfortably feed 3-4 people. This share will also include access to our harvest events which we host throughout the 15 weeks.
